Makeup lessons are designed to help you:

update & refresh your makeup & brush collection
learn the basic techniques of makeup application or hair styling
troubleshoot problem areas in current makeup routine
educate yourself on makeup, hair, & skincare products' proper usage

...or just have a blast with a few of your girlfriends one evening!

They are catered to any or all of the above points, so let us know how you would like to orient your lesson, and we will craft a lesson plan unique to you & your needs.
